FAQS

1. What is the core objective of the tour? Can this help me grow my practice or explore relocation?

Yes. The primary objective is expansion of your firm's presence to the UAE market for Indian practicing professionals i.e., Indian CAs/CSs - gain first-hand exposure to Dubai's business environment through curated practical sessions from experts and Freezones visits. Know Dubai's business ecosystem from inside. Also, build your brand by showcasing your global outlook – capture content to share with clients and peers.

2. What type of meetings are planned?

👉 Interactions with Freezone & Mainland (DET) authorities, consultants, and firms.

3. Will there be practical learning sessions?

✅ Yes – informal mentorships on tax, compliance, and practice setup may be part of sessions and icebreakers.

4. Is there a group discount available?

👛 Yes, we offer group discounts for a minimum number of delegates. Please contact us for specific details on pricing based on your group size!

5. What if the existing geo-political situation escalates and affects travel?

📌 We're closely monitoring the situation. In case of cancellation due to such external events, standard cancellation charges will still apply. While we will try our best to recover and refund costs (like hotel, transport, meeting room bookings), please note that refunds cannot be guaranteed, as many arrangements are pre-booked and non-refundable.

Please note that the UAE is seemed to be a neutral and safe country which may not have a direct impact from the situation. However, in case of individual cancellations due to travel concerns, standard cancellation charges will apply. We will try our best to recover and refund non-committed costs (like hotel, transport, and meeting room bookings), but please note – refunds cannot be guaranteed due to non-refundable arrangements.
